

Changing Places Easy Read Update

July 2016

Hi I am Leroy Binns. I am a Campaigns Assistant for Changing Places.

Changing Places Toilets are toilets with a hoist, a changing bench and a non-slip floor.

They are for people with profound and multiple learning disabilities (PMLD), people less able to walk and the elderly.

Campaigns News

This month was the Changing Places 10th Anniversary and Awareness Day on 19th July. There were lots of celebrations across the UK and #incLOOsion was trending on social media.

The 860th Changing Places was registered at the Seaburn Shelter in Sunderland.

Selfie kit inventor, Alison Beevers, helped local campaigners and the local Council to raise awareness about the Retford Changing Places toilet, which will be finished soon.

Sarah Mitchell, who runs the Changing Places Facebook page, visited Changing Places toilets across Newcastle.

Also, a team at Accessible Derbyshire had a very exciting wheelchair race!

CAE (Centre for Accessible Environments) and our campaign sponsors Aveso gave a great training session at The Barbican.

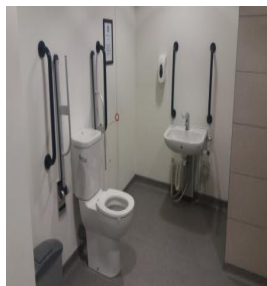

Raymond Martin from the British Toilet Association and our own Mike Le Surf ran across London to raise awareness about Changing Places. Campaigners from Mencap and Generate came along to support them, and they met MP Jack Dromey in Parliament at the end of the run.
