

Changing Places Easy Read Update

August 2016

Hi I am Leroy Binns. I am a Campaigns Assistant for Changing Places.

Changing Places Toilets are toilets with a hoist, a changing bench and a non-slip floor.

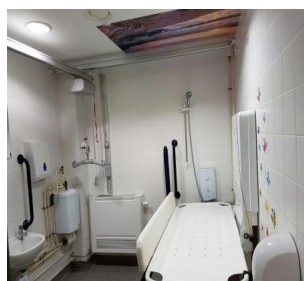

They are for people with profound and multiple learning disabilities (PMLD), people less able to walk and the elderly.

Campaigns News

This month we registered two more Changing Places toilets at Welcome Break motorway service stations.

Congratulations to Sarn Park and Corley North services.

We also registered the Cornwall Services Changing Places which was on the TV Programme Channel 4 "No Go Britain".

This was a report about why we need more Changing Places.

We will soon have a new major sporting venue with a Changing Places toilet.

We are also working to get more Changing Places toilets in supermarkets.

The Changing Places Twitter page has over 5,000 followers.

The Changing Places Facebook page now has over 20,000 likes! Well done to Sarah Mitchell who runs the page.

We will soon be having more campaigners' conferences all over the UK.

We will post more information about this soon!
