

## Changing Places Easy Read Update

November 2016

Hi, I am Leroy Binns. I am a Campaigns Assistant for Changing Places.

Changing Places Toilets are toilets with a hoist, a changing bench and a non-slip floor.

They are for people with profound and multiple learning disabilities (PMLD), people less able to walk and the elderly.

### Campaigns News

The highlight this month is the registration of the Changing Places toilet at Southampton FC.

World Toilet Day was on 19th November and Consortium members Pamis worked with Mobiloo to celebrate this.

Our Development Officer, Mike Le-Surf, now has a new job in Mencap's campaigns team. He will be leaving the Consortium at the end of the year.

Our new Development Officer is Joanne Connah, and she will start in January.

Congratulations to Joanne and Mike in their new roles!
