

Changing Places Easy Read Update

January 2017

Hi I am Leroy Binns. I am a Campaigns Assistant for Changing Places.

Changing Places toilets are toilets with a hoist, a changing bench and a non-slip floor.

They are for people with profound and multiple learning disabilities (PMLD), people less able to walk and the elderly.

The campaign is getting a lot of media interest, and our campaigners are still doing an amazing job at spreading awareness of the campaign.

We are looking for more case studies of venues with a Changing Places toilet.

If you have a case study to share with us, please email:
ChangingPlaces@mencap.org.uk
